

Compact Model

-So you agree that we have the best politics money can buy?

-As a Republican, gleefully!

-Dems long-faced about it?

-Hey! They embrace Joe and Josephine, whilst soliciting a bribe off their Boss! So pitifully, hypocritically, sad.

-Not as sad as your gang, naturally lying and stealing!

-Articles of Faith!

-Which you combine into one Golden Rule?

-Mais oui!

-Careful mit der French! Intellectual pretense really belonging to the Left.

-Hey give us some fun! Evangelicals

got one ear about *Jesus*-ed off!
